

WALTHAM LUMBER

BUILDING MATERIALS

Drywall Accessories

At Waltham Lumber, you'll find everything you need to complete your drywall job. We carry an extensive supply of high quality accessories, including joint compounds and tape, corner and casing beads, veneer, basecoat and gauging plasters as well as a variety of screws and tools.

Masonry Supplies

We service a wide variety of masonry jobs with portland cement, lime, mortar cement and sand as well as masonry tools, equipment and specialty products. We also carry Quickcrete brand concrete, sand and mortar mixes.

Acoustical Ceilings

We distribute a complete selection of acoustical ceilings and track systems from leading manufacturers like Celotex and Chicago Metallic. We have the size, texture and color you want, whether your application is commercial or residential, standard or specialty.

Our knowledgeable sales professionals can guide you in the selection process.

And remember, our large fleet of boom trucks and experienced drivers can make your delivery fast and dependably... and hoist it up to eight stories high.

Steel Studs & Framing Components

Waltham Lumer is one of the area's leading sources for steel studs and framing components.

We stock a huge inventory of steel studs and track for interior wall, curtain wall and shaftwall applications as well as structural steel studs for lightweight framing. We carry resilient channel, drywall furring channel and cold rolled channel as well as screws and fasteners.

Our helpful, experienced sales staff will coordinate your order and arrange for prompt delivery on one of our modern boom trucks.

Insulation

When you're looking to insulate, there's no need to look beyond Waltham Lumber

We stock every type of fiberglass and rigid insulation from the leading names like Manville, Owens Corning and USG, including sound barrier and flame resistant insulation, expanded polystyrene beadboard, Foamular and Styrofoam extruded polystyrene, poly sheathing and fasteners.

From trailer loads to truck loads to small pick ups, we can supply all your insulation needs.

Gypsum Wallboard

Waltham Lumber is one of the largest gypsum product dealers in New England. We maintain a huge inventory of wallboard from the finest manufacturers like USG, National and Georgia Pacific.

In our clean warehouse facility, you'll find every size and variety of board you need, including standard, fire-code, moisture-resistant, shaftwall liner, tile backer board and sheathing.

Our large, up-to-date fleet of boom trucks will make your delivery fast and dependably. And our experienced drivers will even hoist it up to eight stories high.

It's no wonder why so many of the biggest wallboard contractors around have always looked to Waltham Lumber.

Lumber & Plywood

We're a major supplier of all types of top quality lumber and plywood. Whether you're framing, decking, sheathing, roofing or flooring, Waltham Lumber can supply you with every type of dimensional lumber and plywood you need.

You can pick up at our conveniently located yard or have us deliver your order on one of our clean, modern trucks. And unlike most lumber yards, our boom trucks can place your material exactly where you need it.

So call us on your next lumber order, and see what a difference our quality and service can make.

A Tradition of Quality and Service

Waltham Lumber is one of the leading suppliers of building materials in New England.

We carry a broad line of quality building products including lumber and plywood, gypsum wallboard and accessories, steel studs, insulation, masonry supplies and acoustical ceiling systems. Our large fleet of clean, modern boom trucks is always ready to get your material to the job on time. And our courteous, knowledgeable management and staff stands ready to see your business through from order to delivery.

Our commitment is to provide the very best in quality and service to our customers, both professional
